

# Design a dream dog for Charlie and Lola!

We can't wait to welcome Lauren Child CBE to Goodwoof on Sunday 17 May 2026 as we celebrate 25 years of Charlie and Lola and Lauren's lifelong love of dogs. Lauren will be speaking at Goodwoof's Literary Corner about the dogs in her books, how she finds inspiration for her creations, and her future plans for her best-selling characters, Charlie and Lola.

You could win the chance to meet Lauren at Goodwoof, as well as a big bundle of Charlie and Lola, Clarice Bean and Ruby Redfort books and tickets for you and your family to Goodwoof on Sunday 17 May by helping Charlie and Lola to create their perfect dog.

Charlie, and his little sister Lola, are dreaming of their ideal dog and need your help to show them what that dog could look like. Let your imagination run riot. Don't hold back on the dog's colour, size, shape – or anything!

Lola says "You can definitely imagine our best and favourite dog. There are so many fluffy and snuffy things about dogs. We can't entirely decide by ourselves. Can you help us please?"

Simply create a dog which you think would best suit Charlie and Lola on the template provided overleaf.

Good Luck!
