

# BARKITECTURE

PRESENTED BY 

## Junior Barkitecture Competition

Think of your favourite part of your school day.  
Now imagine you could share it with your favourite dog.

Whether it's science, reading, sport, drama, art, maths, writing or something else, we want you to imagine sharing the best part of your school day with your best four-legged friend.

Your job is to design a kennel that will be the perfect place for you and your dog to hang out and share part of your school day – it might be a place to play, to listen to stories, to solve problems or a cosy, quiet space to do homework.

**Here are a few things to think about while you are imagining your kennel design:**

What do dogs like to do?

How will you make your kennel a place that your dog is sure to like?

Can you use any recycled or renewable materials so that your kennel is also good for the planet?

### YOUR DETAILS

Name

---

Age

---

Parent / guardian name

---

Email address

---

Contact number

---

### THE PRIZE

The lucky winner's kennel design will be built and on proud display at Goodwoof this year (20 & 21 May 2023).

The winner and their family will also receive 2023 Goodwoof tickets to enjoy the event and to see the kennel design in person.

If you have applied through a Primary School, the school will also receive a one-off £500 cash donation to spend on school equipment.

Full terms and conditions can be found at [goodwood.com/terms-and-conditions](https://goodwood.com/terms-and-conditions)

### HOW TO ENTER

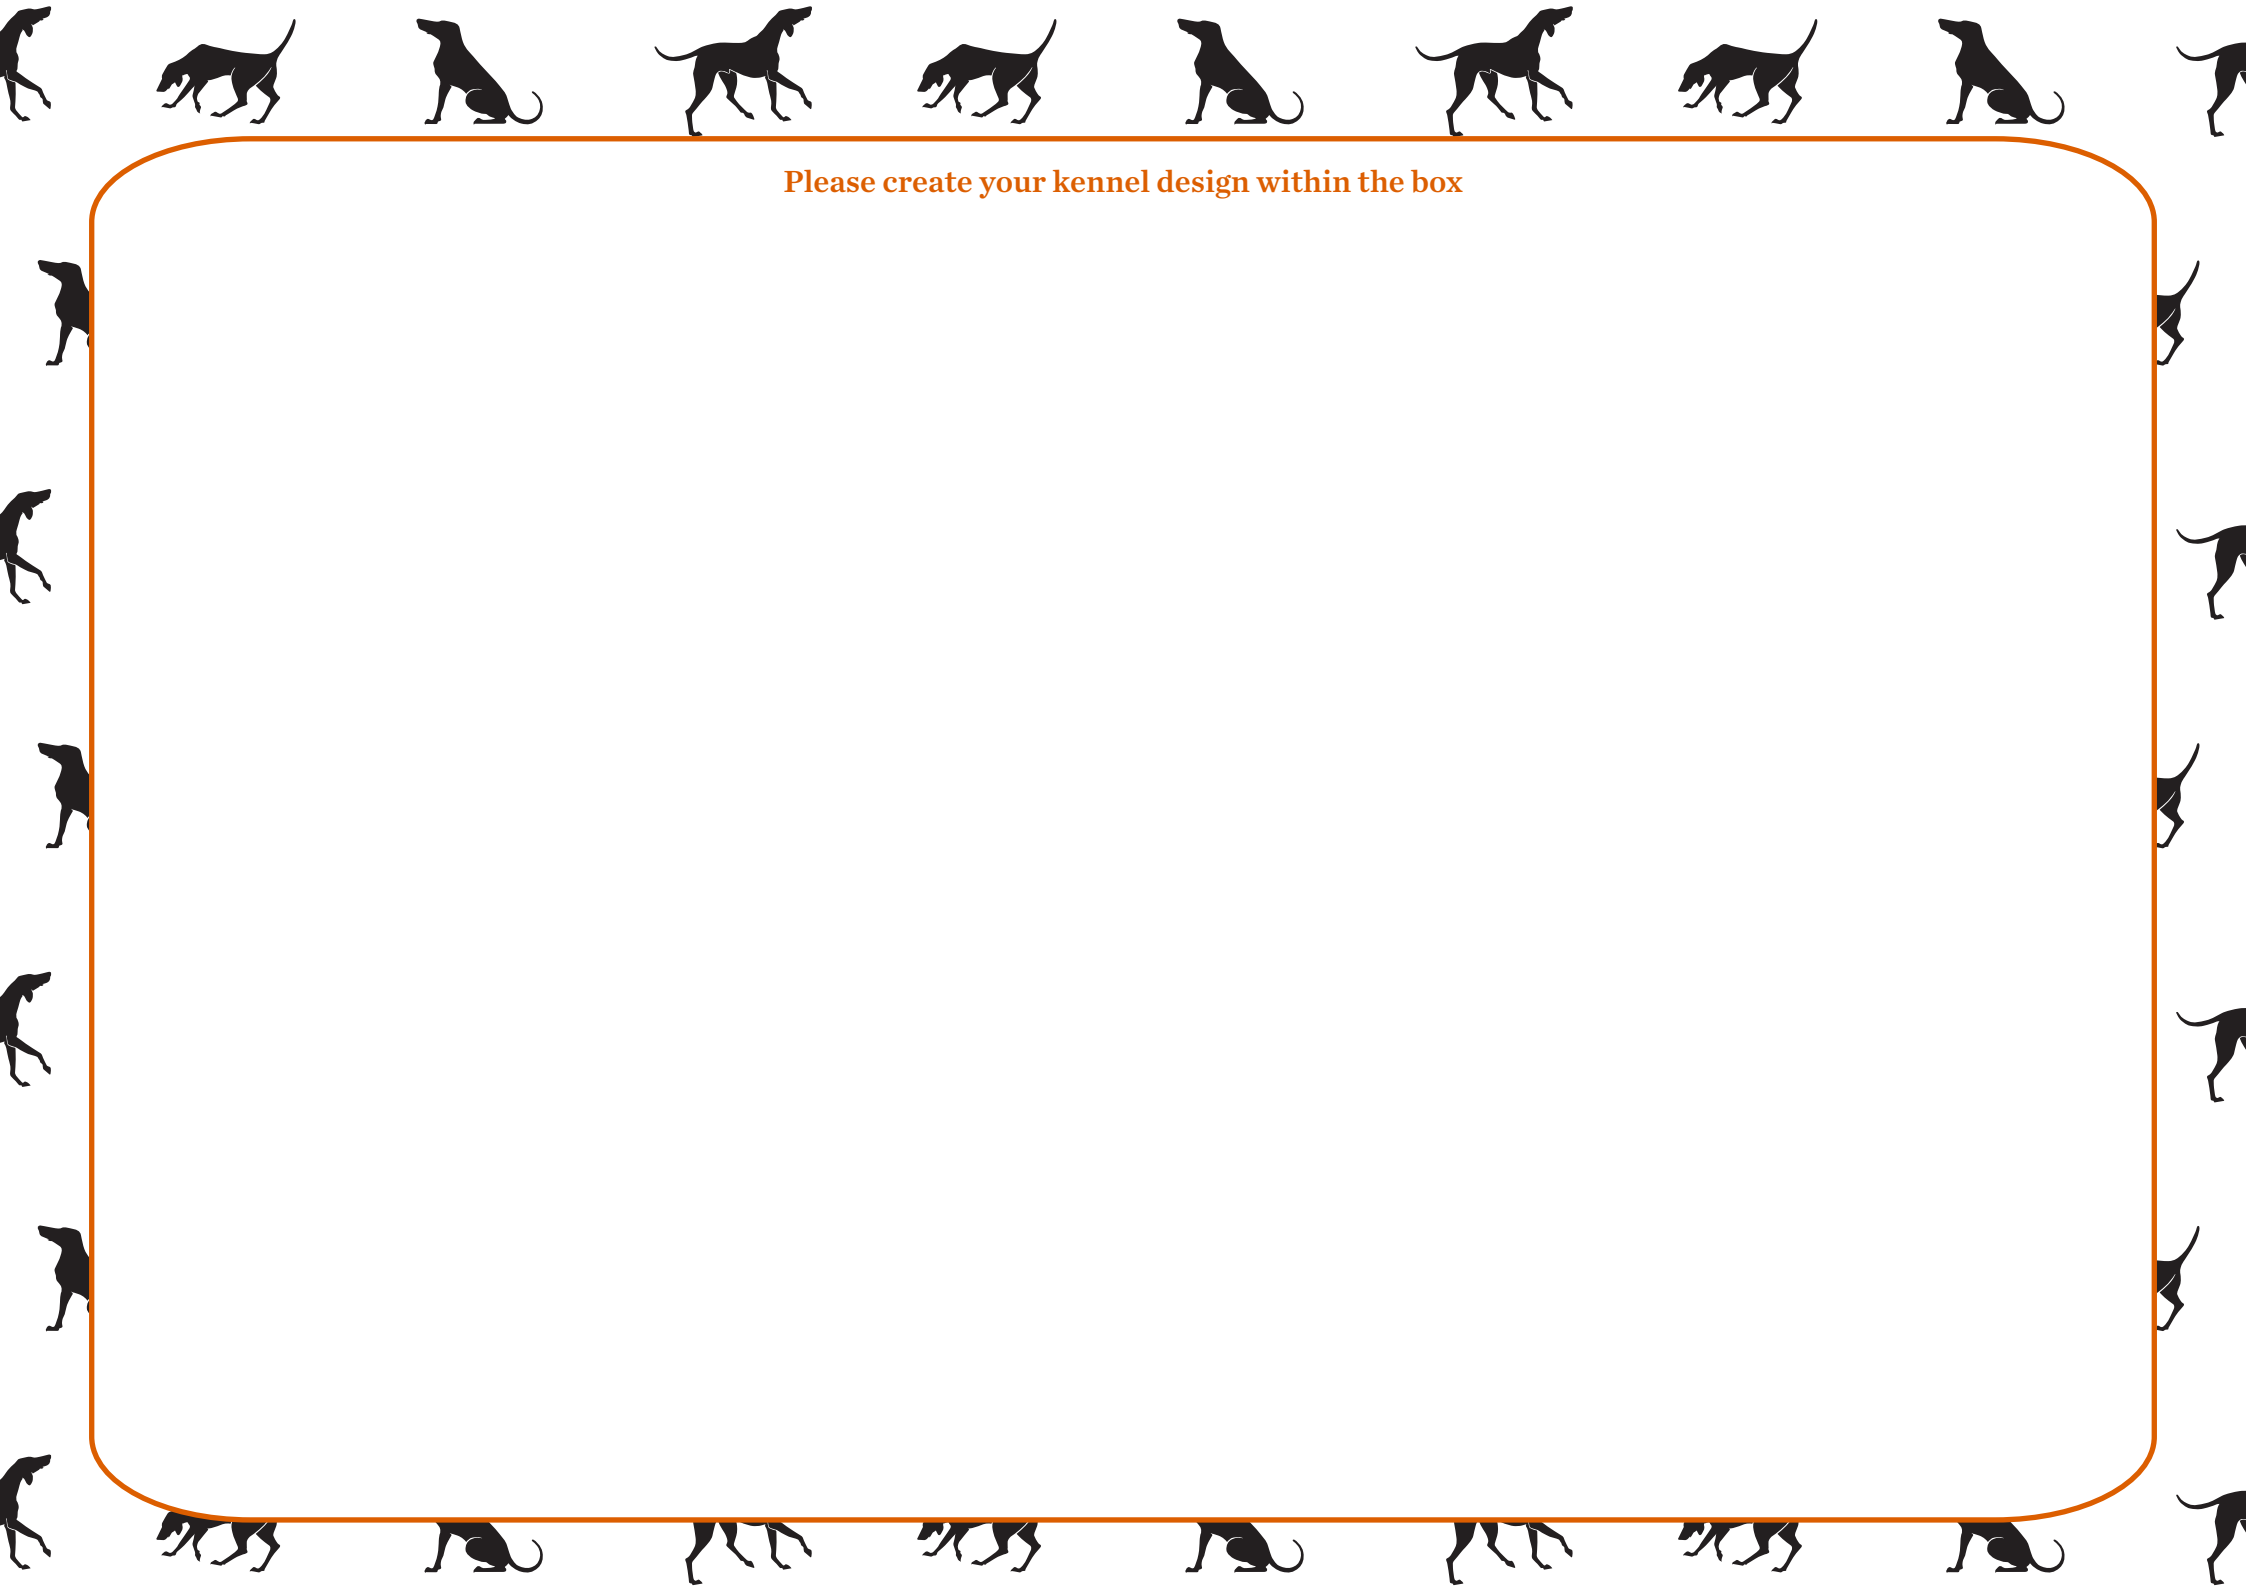

Submissions will open from 27 March until 21 April 2023. All entries will be judged after the closing date by architecture expert, Kevin McCloud, and a winner announced by Friday 28th April.

Please submit this drawing by one of the three methods below:

**If applying through your school**, please hand over your drawing to your teacher

**By posting this drawing** to Marketing & PR Team, Tony Gaze Building, Goodwood Motor Circuit, Goodwood, West Sussex, PO18 0PH

**By emailing a photo** of your design to [BarkitectureCompetition@goodwood.com](mailto:BarkitectureCompetition@goodwood.com)

Please create your kennel design within the box
