Set at the heart of the 11,000 acre Sussex estate, Goodwood Home Farm is one of the largest lowland organic farms in the UK. Our careful approach to farming is sustainable, sensitive to the environment and above all results in delicious, high-quality, award-winning produce.

MEATS

Organic and wild, estate-reared meats. Our beef cattle, Southdown lambs and free-range pigs are bred to give high quality cuts of award-winning meat.

DAIRY

Award-winning, wholesome cheese and deliciously rich and creamy, Goodwood organic milk, all made at our own dairy.

ALES

Brewed using home-grown malted barley from Home Farm and organic hops, each of our Goodwood beers is authentic and full of character.
