

CAR CLUB TRACK DAYS

Goodwood Motor Circuit is an extraordinary place. The only classic circuit in the world to remain entirely in its original form, it was sympathetically restored over a six-year period in 1998, in preparation for the inaugural Goodwood Revival that year. It is a unique and exceptional venue for track hire and delivers a legendary fast and flowing driving experience.

Goodwood was the setting of many legendary battles between great heroes, from 1948 through to 1966. Brabham, McLaren, Surtees, Moss, Gurney, Fangio, Gonzalez, Salvadori, Hawthorn... the list goes on and on; and they drove everything here, from diminutive 500cc Coopers to the greatest jewels of sports car and Grand Prix racing at the time. This is your chance to drive the 2.4 miles.

Your day includes:

- Exclusive hire of Goodwood Motor Circuit
- Up to three Paddocks available with a total of 143 shelters
- Exclusive use of the Jackie Stewart Pavilion or Race Control Building, including lounge and dining area with decked terraces overlooking the Paddocks and Pit Lane
- Buffet Lunch, Tea & Coffee
- Noise Testing & Helmets
- Drivers welcome and Track Day briefing with Chief Instructor
- Motor Circuit Operations Stewards & Flag Marshals

The circuit can be run either in sessions or 'open pit' with an hour for lunch which must commence between 1200 & 1400. The amount of cars allowed on circuit is subject to our noise conditions but typically up to 10 road cars on a 98dB categorised day and at least 7 sport cars on a 105dB day.

WHY GOODWOOD?

Goodwood Motor Circuit opened its gates to the public in 1948 to host Britain's first post-war motor racing meeting at a permanent venue. Since that time, the Circuit has hosted some of the most inspiring names in motor racing history – from Sir Stirling Moss and Bruce McLaren to Sir Jackie Stewart and Juan Fangio.

Your Motor Circuit event will be based out of one of our original circuit buildings, either the Jackie Stewart Pavilion or Race Control Building. Both are located on the main straight and pit lane and are furnished to a high standard, complete with dedicated Welcome and Briefing areas, separate dining areas and outdoor terraces overlooking the track. The buildings are suitable for adding a more formal business meeting element to the day, should that be required.

Within its 12,000 acres, Goodwood is home to one of the largest lowland organic farms in England, a famous Battle of Britain airfield, a historic racecourse and motor circuit, two golf courses and one of the oldest cricket grounds in the country, all centred around the magnificent Regency house which is still very much lived in and used today.
