

# ACCESSIBILITY GUIDE

We are committed to ensuring all our guests are able to enjoy their Goodwood Revival experience and we've gathered some key information around accessibility at the event.

We have a range of dedicated facilities across the event site especially designed to meet the needs of visitors with impaired mobility, enabling you to catch all the action and experience the event to the full.

## TRAVEL AND PARKING

### ROAD SIGNS

On nearing the event, standard yellow road signs marked with a disabled symbol will direct you to a dedicated parking area.

### CAR PARKS

Disabled parking will be available at Car Park D. Please ensure you have your blue badge on display. Courtesy vehicles will be on hand in the car park to give assistance to those unable to walk to the event entrances.

Electric scooter chairs are available for hire from Shopmobility – it is essential to pre-book with Shopmobility on 0300 500 8085. They will be based in Car Park D.

Please be aware that parts of the event are uneven and on grass, therefore an electric wheelchair may be easier to navigate around the event.

We hope that you have a wonderful weekend at Goodwood. If you have any questions before, during or after the event, please contact our Ticket Office on 01243 755055.

### COURTESY SHUTTLE SERVICE
