TORQUE AND TIMBER: A BLACK FOREST ADVENTURE

OVERVIEW

Embark on a thrilling journey through the Bavarian Alps and Black Forest, where speed, precision, and breathtaking scenery converge. Cruise legendary roads, from switchbacks through storybook villages to sweeping curves framed by lush valleys. This is your chance to test your car's performance.

The adventure begins at Berghotel Schlossanger Alp, a serene mountain retreat and our home for the first two nights. The excitement ramps up with an exclusive behind-the-scenes tour and intimate lunch at RUF Automobile, followed by a scenic drive back to Berghotel Schlossanger Alp to relax and recharge.

On day two, conquer some of the most stunning roads in the Bavarian Alps, dipping into Austria to climb lofty peaks and traverse deep, mountainous valleys. In the evening, we'll toast to the Alps and be seated for dinner before our journey takes us west toward the Black Forest.

The next day's drive skirts along Lake Constance's sparkling waters and through twisting forest roads, leading to the four-Star Luisenhöhe Gesundheitsresort Schwarzwald, a wellness oasis in the heart of the Black Forest.

On the final day, push the pedal to the metal and take on the iconic B500—one of Germany's most celebrated roads—or indulge in the resort's award-winning spa. End the journey with a private dinner overlooking the vast, scenic vistas for a perfect farewell and final celebration.

DAY 1: PERFORMANCE MEETS FOREST ROADS

Our journey kicks off at the four-Star Berghotel Schlossanger Alp, perched 1.13km above sea level and our home for the next two nights. We'll be greeted in the morning with coffee and pastries, taking a moment to drop off our luggage* before the action begins.

The excitement surges as we head north to RUF Automobile, a world-renowned hub of precision engineering and innovation. Here, we'll get exclusive insight to their high-performance masterpieces – vehicles with jaw-dropping torque often exceeding 700 lb-ft. Adding to the occasion, owners Alois and Estonia Ruf will host us for a private lunch, sharing their passion for engineering perfection and fascinating stories

On return to the Bavarian Alps, we will tackle heart-pounding roads that twist through awe-inspiring landscapes. Arriving back at Berghotel Schlossanger Alp, unwind in serenity after an unforgettable day.
