HEIGHTS OF THE HIGHLANDS

EMBARK ON THE ULTIMATE FLY-AND-DRIVE ADVENTURE AS YOU TAKE THE WHEEL OF RUGGED 4X4 LAND ROVER AND JOURNEY THROUGH THE BREATHTAKING LUSS ESTATE.

Join the GRRC for an unforgettable off-road driving experience through two of Scotland's most spectacular landscapes, overlooking the majestic Loch Lomond and Loch Long. Your adventure begins in an ancient forest, winding upward to reveal sweeping views across Loch Lomond's islands. The Loch Long trail offers a thrilling challenge, with steep, rocky ascents and descents set against dramatic mountainous scenery. Adding to the charm, your expert guides dressed in traditional Highland attire bring not only a wealth of local knowledge but also top-tier off-road driving expertise. This extraordinary journey includes four nights at the luxurious Cameron House, nestled on the shores of Loch Lomond within the heart of The Trossachs National Park, an idyllic base for exploring the region's natural beauty.

MONDAY 2 NOVEMBER

On Monday, guests will make their way to the luxurious Cameron House, nestled on the breathtaking shores of Loch Lomond, where our Scottish adventure truly begins. After settling into your room and take a moment to appreciate the calm of the loch and the warmth of Scottish hospitality, guests can unwind and immerse themselves in the character of this remarkable setting.

As evening settles over the water, everyone will gather for our first group dinner at the Cameron Grill, providing the perfect backdrop for guests to meet one another in a relaxed setting, share first impressions and ease into the spirit of the journey.

By the end of the evening, anticipation will be firmly in the air for the thrilling off road experiences that await in the days ahead, setting the tone for a memorable and authentically Scottish adventure.

TUESDAY 3 NOVEMBER

Tuesday begins with a warm welcome briefing, where guests will meet their personal adventure guide and gain an insight into the remarkable experiences that await. With everyone prepared for the day ahead, the group will set off on an exhilarating off road journey through the ancient forests to the west of Loch Lomond. These rugged woodland trails, rich with character and history, provide the perfect introduction to Scotland's wilder side, combining technical driving with breathtaking scenery at every turn.

Midway through the day, guests will enjoy a memorable hilltop experience hosted by a local gamekeeper, offering a unique glimpse into the landscape, wildlife and traditions that shape life in this part of the Scotland. For those wishing to continue exploring, an optional scenic drive that you can complete in your own vehicle will showcase even more of the region's beauty, with routes selected for both their charm and their spectacular viewpoints.

As the afternoon draws to a close, guests will return to Cameron House to unwind at their own pace. The evening is left open for dining at leisure, allowing everyone to relax and reflect on a day filled with adventure, discovery and unforgettable moments.

WEDNESDAY 4 NOVEMBER

Wednesday brings a renewed sense of anticipation as guests prepare for another day of exploration and authentic Scottish adventure. After a morning briefing with their personal adventure guide, the group will set off into the remote hills of Edentagart, a landscape defined by its wild beauty, open moorland and sweeping Highland vistas.

The route quickly immerses guests in a truly unforgettable off-road experience. Rugged tracks wind through heather covered slopes and dramatic contours, offering a rewarding blend of technical driving and breathtaking scenery. Each section reveals a new perspective on this remarkable region, making the morning both exhilarating and deeply memorable.

Upon returning to Cameron House, the afternoon brings a change of pace as guests come together for a session of clay pigeon shooting. Set against the backdrop of the Scottish countryside, this experience offers a fun and engaging challenge, whether guests are trying the sport for the first time or refining their aim.

Following the activity, guests will have time to relax at their leisure, unwind by the loch or explore the estate. It is the perfect opportunity to reflect on a day filled with achievement, camaraderie and the timeless charm of the area.

THURSDAY 5 NOVEMBER

Our final full day begins with a morning briefing before setting out for your last 4 x 4 adventure, taking on an exhilarating off road drive along the high ridges overlooking the dramatic waters of Loch Long. The route offers a spectacular finale to the week's driving, combining sweeping coastal views with rugged terrain that delivers both challenge and unforgettable beauty in equal measure.

The day then eases into a charming visit to a Highland cattle farm, where guests will have the opportunity to meet the iconic shaggy "coos" up close. This relaxed and authentic experience offers a delightful contrast to the morning's adrenaline, capturing the warmth, humour and character that make the area so special.

As evening settles over Loch Lomond, guests will come together for a memorable farewell dinner at LOMA, the acclaimed restaurant led by Michelin star chef Graeme Cheevers, where exceptional Scottish cuisine and shared stories from the week create a fitting finale to the adventure. The night will also include a gentle nod to Bonfire Night, adding an atmospheric touch to the celebrations and offering a warm, inviting backdrop as guests reflect on the remarkable journey they have enjoyed together.

FRIDAY 6 NOVEMBER

On Friday, guests will bid farewell to Cameron House after an unforgettable week, carrying with them memories of rugged landscapes, remarkable drives and the warm camaraderie that defines the GRRC.
