

## A GUIDE FOR OWNERS & TRAINERS

TUESDAY 30 JULY – SATURDAY 3 AUGUST 2019

# THE QATAR GOODWOOD FESTIVAL

## Welcome To Goodwood

Proudly boasting an illustrious history and heritage, Goodwood is an inspirational and unique venue that has often been described as the world’s most beautiful racecourse.

I am delighted that the continuing success of the Qatar Goodwood Festival has culminated in further race upgrades, most notably The Qatar Lillie Langtry Stakes, upgrading to Group 2 status last year. Goodwood has, for more than 200 years, been about the best racing in the most English of settings, accessible to everyone. Our partnership with Qatar has enabled us to significantly increase the prize money on offer this and it is, as always, key for us that this new money does not just sit at the top end but trickles down to the grassroots of the entire race programme.

Royalty, celebrities, sporting heroes, statesmen and diplomats have all enjoyed visiting Goodwood. It now gives me great pleasure to invite some of the very best overseas owners and trainers to be a part of this truly great horseracing Festival and join our ambition to become the best race week experience in the world.

The Duke of Richmond and Gordon  
Owner of Goodwood

## Over £5million in prize money will be awarded over five thrilling days at Goodwood Racecourse from 30 July – 3 August 2019

The Qatar Goodwood Festival, now in its fifth year, has established itself as one of the most competitive and entertaining weeks in the international racing calendar. Including the increase in prize money for the upgraded Qatar Lillie Langtry Stakes the total prize purse for the Festival now exceeds £5.5million and no race will be run for less than £25,000.

Following 2017's elevation of the Qatar Goodwood Cup to Group 1 status we are very grateful to the BHA and the European Pattern Committee for supporting and approving the further development of our race programme. This resulted in the Qatar Lillie Langtry Stakes being upgraded from a Group 3 to a Group 2 contest last year. We hope that this race will cement its position as part of a high-profile programme for stayers across Europe.

The Qatar Nassau Stakes is the highlight of the Thursday of race week ensuring a focus on the very best fillies in particular. The supporting card on this day also features the Group 3 Gordon Stakes and will therefore serve to compliment the unique ambience of Ladies' Day.

The Group 1 Qatar Sussex Stakes is the highlight of the whole week and always serves up a mouth-watering race with the very best milers in the world sure to line up. We look forward to seeing the entries for this £1million contest in 2019 with great expectation.

This brochure should include everything that you need to know from the race programme for the week. If, however, you have any further queries, please do not hesitate to contact the team whose details can be found towards the back of this booklet.

We very much hope that your horse(s) will be able to compete at Goodwood and become part of its great history, alongside which we would love to host you in the unique setting of the Goodwood Estate.

Yours sincerely,

Alex Eade  
Racecourse General Manager

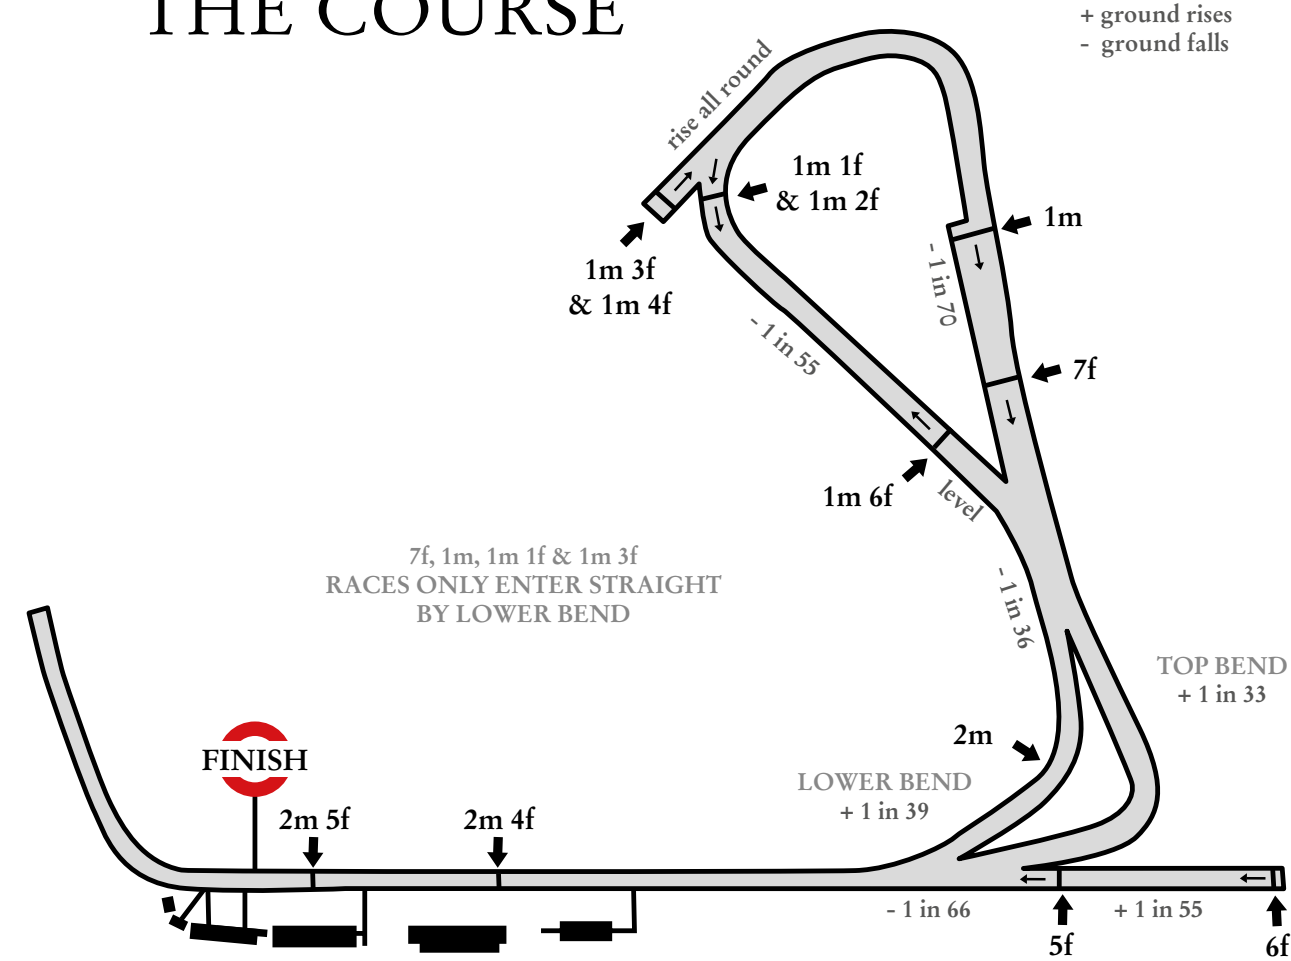

# AN UNRIVALLED RACECOURSE

*The racecourse at Goodwood is meticulously prepared by Clerk of the Course, Edward Arkell, and his highly skilled team using their collective wealth of experience to create a fantastic racing surface.*

Overseas trained horses have done well at Goodwood in recent seasons: the Australian mare Ortensia landed the Qatar King George Stakes in 2012 while the French have a strong record headed by Champion Miler, Solow, taking the Qatar Sussex Stakes in 2015 and Al Jazi leading the field home in the 2016 & 2017 renewal of the L'Ormirans Queen's Plate. The highlight of 2018 being the second successive victory in the Qatar Goodwood Cup, by Stradivarius, who went on to complete the Weatherbys Stayers Million Series, with a victory at the Ebor Festival.

# THE COURSE

## Course Characteristics

Goodwood's pronounced gradients and sharp bends favour the active, handy type of horse, the fluent mover rather than the big, long-striding runner, and this applies especially in short races and when the going is fast.

## Position of Starting Stalls

Straight Course: on stands side rail  
Round Course: on inside rail  
(except 1m 3f & 1m 4f: on outside rail)

Stradivarius returning to the Winners Enclosure after winning the Qatar Goodwood Cup for a second consecutive year for trainer John Gosden.

*“In terms of beauty in Europe, it’s hard to pick between Goodwood and Deauville.I think those two tracks are charming, historical. Goodwood with its panoramic view, and undulating course... it’s just a fantastic place.”*

Barry Irwin, Team Valor International (USA)

*The first stage of the Doha Triple Crown*

The Qatar Goodwood Festival hosts the first leg of the prestigious Doha Triple Crown that was initiated in 2015 and carries a prize fund of £400,000. The series celebrates the passion and investment Qatar has made in horseracing over the past years and reflects Qatar’s culture and tradition by their continued commitment to their heritage and the Arabian horse.

The Doha Triple Crown’s second stage is the Qatar Arabian World Cup (Gr1PA), held at the celebrated Arc meeting in October. The third stage for the HH Emir’s Sword (Gr1PA) is run in Doha in February at HH The Emir’s Sword Festival, one of the biggest events on Qatar’s horse racing calendar that attracts many of the world’s best Purebred Arabians to race. The Doha Triple Crown series unites three of the most prestigious international Arabian races in the world.

# IMPORTANT INFORMATION

## Nomination Procedure

All nominations should go through your local turf authority. In the case of North America contact the International Racing Bureau at least a day in advance of nominations closing due to the time difference.

## Nominations for USA-trained Horses

American entries need to be made to Weatherbys by email, using the address [racingops@weatherbys.co.uk](mailto:racingops@weatherbys.co.uk) and copying both [edward.arkell@goodwood.com](mailto:edward.arkell@goodwood.com) and [adrian@irbracing.com](mailto:adrian@irbracing.com)

## Equipment

All equipment must be named at time of declaration to run, and permissible equipment includes the following:

**Blinkers:** a garment fitted over a horse's head with holes for the eyes and ears, one or both eyeholes being fitted with cowls cutting out all vision to the rear but allowing full forward vision.

**Cheek Pieces:** two strips of sheepskin or any other similar material or device which is attached to the cheek pieces of the bridle.

**Eyecover:** similar to blinkers except that in place of the eye cowls one eye only is covered by an opaque cover.

**Eyeshield:** similar to blinkers except that in place of the eye cowls both eyes are covered with a mesh or transparent material.

**Hood:** similar to blinkers, incorporating ear covers but without eye cowls.

**Tongue Strap:** any device used to tie down a horse's tongue – these must not encircle the bit.

**Visor:** similar to blinkers, with one or both cowls having holes cut in them allowing limited side or rear vision.

**Farriers:** It is a legislative requirement for a farrier to be registered to shoe horses whilst in Great Britain. In applicable circumstances, trainers and their (international) farrier(s) are advised to contact the Farriers Registration Council (<https://www.farrier-reg.gov.uk/>) well in advance of their intended visit to clarify the requirements and obtain the appropriate certification.

For further information, on what is permitted, please visit [goodwood.com/ownersandtrainers](http://goodwood.com/ownersandtrainers)

## Medication & Doping Control

The British Horseracing Authority (BHA) is the sport's governing and regulatory body in Great Britain and encourages international participation in British Racing.

The BHA's Rules of Racing (Rules) stipulate that international visiting horses compete on equal terms with each other and resident British horses. They must race free from the effects of Prohibited substances or other substances (e.g. herbal products).

Overseas trainers should familiarise themselves with Manual (G) since it includes important information about Prohibited Substances, and the Whereabouts requirements.

A link to general information about the BHA's equine anti-doping and controlled medication rules can be found at [goodwood.com/ownersandtrainers](http://goodwood.com/ownersandtrainers)

Particular attention is drawn to the following. For further information, please contact [equine@britishhorseracing.com](mailto:equine@britishhorseracing.com) or visit [goodwood.com/ownersandtrainers](http://goodwood.com/ownersandtrainers) where you will find full details on each area.

- Post-arrival drug testing
- Anabolic steroids
- Intro-articular corticosteroids stand-down period
- Anti-ulcer medication
- Medication declaration / Medication records
- Race day restrictions
- Elective Testing
- Equine Influenza
- Bisphosphonates
- Levothyroxine
- Altrenogest

## Quarantine

There is no post-arrival quarantine period for horses coming to race in Britain. There will be some pre-export quarantine for horses returning to Australia, Hong Kong and New Zealand – your local shipping agencies / turf club can advise on this.

It is also important that your horse's EI vaccinations correspond with any requirements by countries through which you are transiting and for your onward destination after your visit to the UK.

## International Representatives

Goodwood retains Isabel Mathew (France and Germany) and the International Racing Bureau (rest of the world) to assist all International Connections. Please contact your local IRB Representative or Isabel Mathew for any advice.

Their contact details are available on the next page.

## VAT (Tax/Duty)

Colts and fillies imported into the UK have a VAT liability of 20% of their landed value (the value of the horse and cost of shipping). Geldings carry a further 11.5% Import Duty. The VAT can be secured by a deposit or bank guarantee, which is then refunded when the horse leaves the country.

Goodwood will assist with the administration of the bank guarantee. If the horse remains in the UK after the end of October, or is sold, the VAT will need to be paid outright by the connections.

Even the stables reflect the grace and elegance found across the Goodwood Estate. The facilities are exceptional, giving you the reassurance that your horses are in the best possible surroundings while you are at the Qatar Goodwood Festival.

Stabling and Accommodation for Racing Staff

The magnificent Goodwood Stables has 130 loose boxes and accommodation for travelling racing staff. Please contact Allan Morris on +44 (0)1243 755036 for all bookings or queries or email gw.stables@goodwood.com

Travel Incentives

Enquiries are welcome about potential contributions towards transport costs for horses coming to Goodwood from outside Europe. Connections of overseas horses can expect the finest hospitality and will be welcome to participate in the many social functions at the Qatar Goodwood Festival such as the Regency Ball at Goodwood House after racing.

Goodwood offers connections of each travelling horse an agreed “all in” travel allowance towards the cost of the venture. This sum will depend on the races being targeted and its profile. It is the responsibility of the horse’s connections, thereafter, to settle directly all charges incurred, including the horse shipping, personal flights, stabling, access to training facilities and general expenditure.

Facilities

The Qatar owners & Trainers’ Pavilion is located in the Richmond Enclosure to the west of the Parade Ring. The exclusive Owners & Trainers’ Restaurant is also located in the Richmond Enclosure, adjacent to the horsewalk. To make a reservation please email ownersdining@goodwood.com. Reservations are subject to advance booking only.

Accommodation

You may also wish to stay at the Goodwood Hotel & Health Club during your visit. Please contact the Owners & Trainers’ Desk for more information.

## *The* GOODWOOD MOTOR CIRCUIT

*Join the ranks of motor racing greats with a drive around Goodwood's famous Motor Circuit or spin and slide on the low-grip surface area.*

During the heyday of motor-racing in the '50s and '60s, many of the world's most famous drivers raced on Goodwood's motor circuit – names like Sir Stirling Moss, Sir Jackie Stewart and Graham Hill.

Originally opened in 1948 by the 9th Duke of Richmond, a passionate and talented racing driver himself, the circuit underwent an immaculate restoration in 1988 to put it back to exactly as it was in the 1950s.

Today, you can join that illustrious line of motor sport greats by testing your own skills on this historic and very fast circuit or alternatively, master the art of powerslides, handbrake turns and J-turns on the low-grip surface area.

## *The* GOODWOOD HOTEL

*After a day of Goodwood thrills, this former 18th-century coaching inn is the perfect place to enjoy a relaxed dinner and a restful night.*

Once an 18th-century coaching inn built by the third Duke of Richmond to house the many guests visiting Goodwood House, The Goodwood Hotel was originally called The Waterbeach Inn, because centuries earlier the sea had reached this far. Located next to a huge seven-acre walled garden that supplied vegetables and cut flowers for the House it was always a hive of activity, with numerous guests dropping in for lunch during Raceweek, or from shooting parties and cricket matches.

Our chefs take inspiration from Goodwood Home Farm to produce innovative menus. Guests can dine at the relaxed and lively Bar & Grill or at our exciting restaurant, Farmer, Butcher, Chef; where a genuine relationship between farmer, butcher and chef creates an adventurous menu, showcasing the finest quality home-grown organic meat, dairy and ales.

For rest or reinvigoration, the Hotel's health club has its own indoor pool, sauna, steam and Jacuzzi. Goodwood's personal trainers offer group yoga or fitness classes out on the stunning lawn, or within the state-of-the-art gym, while the Waterbeach spa offers a range of restorative treatments from Elemis and Elemental Herbology.

# ENGLAND'S GREATEST SPORTING ESTATE

*The Goodwood Estate has been home to the Dukes of Richmond for more than 300 years and uniquely combines a dedication to tradition with a calendar of innovative and exciting sporting and social events.*

In its early days, the 1st Duke of Richmond bought what we now know as Goodwood House as somewhere to stay when he and his illustrious friends were hunting across his spectacular sporting Estate.

Nowadays, Goodwood has much more to offer; it is at the forefront of international sporting events in horseracing and motor racing, as well as hosting golf tournaments on two championship courses and welcoming guests to its 91-bedroom and suite hotel. The extensive leisure facilities and relaxing treatments available at The Waterbeach combine with two award-winning restaurants serving organic, Estate-reared and local produce to create the perfect destination for a short break.

At the heart of this beautiful Estate is Goodwood House. Set in immaculate parkland, its meticulously restored State Apartments are open to visitors from

March to October with a magnificent art collection on display. Exclusive social events such as the annual Regency Ball (above left) – which takes place during the Qatar Goodwood Festival, grace the luxurious surroundings of Goodwood House.

Across the Estate learn to fly at the historic Goodwood Aerodrome or perhaps follow in the tyre tracks of legends as you enjoy one of our Ultimate Driving At Goodwood experiences which take place within the magnificent 12,000-acre estate, including on the iconic Goodwood Motor Circuit.

Amongst the 21st century trappings of business and pleasure, all of that early glamour and excitement coupled with effortless style still remains. Goodwood's special atmosphere, exhilarating sporting occasions, consistently high standards, attention to detail and sense of fun make it a truly magical place to be.
